It is the policy of this organization to provide equal opportunities without regard to race, color, religion, national origin, gender, sexual preference, age, or disability.

Volunteers are not entitled to monetary compensation for the work performed or entitled to worker's compensation or group benefits in the event of injury. A Carnegie Science Center supervisor, together with individual volunteers, will evaluate volunteer performance. If at any time, it is determined that responsibilities are not being satisfactorily fulfilled, Carnegie Science Center has the right to terminate the relationship.

Thank you for completing this application and for your interest in volunteering with us.
