CARNEGIE SCIENCE CENTER TO HOST WEEKEND OF TRAINS, TRAINS, TRAINS!

LOCOMOTION WEEKEND ENGAGES TRAIN ENTHUSIASTS OF ALL AGES

PITTSBURGH—Chug into Carnegie Science Center for Locomotion Weekend, Dec. 10–11! This building-wide extravaganza promises fun for train enthusiasts of all ages!

Visitors can delight in the hustle and bustle of this lively event, sponsored by Isaly’s, from 10 am–7 pm on Saturday, and 10 am–5 pm on Sunday.

- Joining our own Miniature Railroad & Village® will be additional operating train layouts by Lionel, D.A.R.E Model Railroad Club, Keystone Division of the National Model Railroad Association, the Fort Pitt Hi-Railers, and the South Hills Model Railroad Club. Featured will be Polar Express and American Flyer layouts.
- Additional displays will spotlight guests from the Children’s Museum, Heinz History Center, Duquesne Incline, Pennsylvania Trolley Museum, Scenic Express, and Rivers of Steel.
- Little engineers will delight in meeting Lionel’s Lenny the Lion, and engineering their own little train empire in our Little Tykes Play area.
- Older conductors control a speeding locomotive as they race trains on an interactive layout from the Train Collectors Association’s Kids Club.
- Be sure to dust off your own train for its annual starring role under the holiday tree and bring it down for a check-up at our “Train Doctor” table! Our local expert “elves” will perform basic repairs, routine cleaning, and oiling onsite at no charge.
- Win one of two Lionel train sets! A Polar Express set will be raffled off by the Train Collectors’ Association, and Thomas the Tank Engine set is being raffled by Isaly’s -- visit Isaly’s website and register for a chance to win!
- Marvel at the newest addition to the Miniature Railroad and Village®, the beautiful and historic Manchester-Farms.
- See a movie on the giant screen in the Rangos Omnimax Theater and journey back to the steam age with Rocky Mountain Express or take a magical ride to the North Pole with the holiday classic Polar Express: An IMAX Experience!

If you’re loco for locomotives or simply need a great excuse to play with trains again, Carnegie Science Center is your central station for a weekend of trains, trains, trains…and tons of holiday fun! Visit our website for more information on our extensive holiday programming.

Carnegie Science Center presents a weekend of trains, trains, trains!

About Carnegie Science Center
Carnegie Science Center brings the world of science alive for visitors of all ages. One of the four Carnegie Museums of Pittsburgh, the Science Center features hands-on exhibits, three live demonstration theaters, a four-story Omnimax theater, Highmark SportsWorks®, an interactive full-dome digital planetarium, a Cold War-era submarine moored on Pittsburgh’s Ohio River, the world’s largest and most comprehensive robotics exhibition, and a world-renowned model railroad display. Carnegie Science Center is located at One Allegheny Avenue on Pittsburgh’s North Shore next to Heinz Field. Visit CarnegieScienceCenter.org, or call 412.237.3400 for more information.

About Carnegie Museums of Pittsburgh
Founded by Andrew Carnegie in 1895, Carnegie Museums of Pittsburgh is a collection of four distinctive museums dedicated to exploration through art and science: Carnegie Museum of Art, Carnegie Museum of Natural History, Carnegie Science Center, and The Andy Warhol Museum. Annually, the museums reach more than 1.2 million people through exhibitions, educational programs, outreach activities, and special events.
