CARNEGIE SCIENCE CENTER ANNOUNCES NEW LASER SHOW LINE-UP

EXPERIENCE THE MUSIC OF THE WIZARD OF OZ IN A LIVE LASER LIGHT SHOW

PITTSBURGH, April 8, 2013 — Featuring the music of one of the most enchanting films of all time, The Lasers of Oz will join Carnegie Science Center’s line-up starting Friday, April 12.

Visitors will experience the music of The Wizard of Oz in a live laser light show. They will be immersed in brilliant colors, animated graphics, and 3D atmospheric effects in the Buhl Planetarium. The audience will “Follow the Yellow Brick Road,” soar “Over the Rainbow,” and rejoice that “Ding Dong the Witch is Dead.” The Lasers of Oz will kick off the Science Center’s Friday and Saturday evening laser shows, which feature a wide range of musical styles and genres, including Bob Marley, No Doubt, Nirvana, Skrillex, and Midnight Floyd – a Science Center staple since 1968.

Friday & Saturday Night Line-Up:

7 pm  The Lasers of Oz
8 pm  Bob Marley
9 pm  No Doubt
10 pm  Nirvana
11 pm  Skrillex (the music of Skrillex)
Midnight:  Pink Floyd

The Lasers of Oz will also be the 3 pm matinee daily through April, with Bob Marley as an additional matinee at 1 pm on Saturdays and Sundays.

Cost for laser show admission is $2 for members and $8 for non-members (or a $5 add-on to general admission). A second laser show or Omnimax ticket can be purchased for an additional $5. Show times and descriptions are available at CarnegieScienceCenter.org.

About Carnegie Science Center
Carnegie Science Center brings the world of science alive for visitors of all ages. One of the four Carnegie Museums of Pittsburgh, the Science Center features hands-on exhibits, three live demonstration theaters, a four-story Omnimax theater, Highmark SportsWorks®, an interactive full-dome digital planetarium, a Cold War-era submarine moored on Pittsburgh’s Ohio River, the world’s largest and most comprehensive robotics exhibition, and a world-renowned model railroad display. Carnegie Science Center is located at One Allegheny Avenue on Pittsburgh’s North Shore next to Heinz Field. Visit CarnegieScienceCenter.org, or call 412.237.3400 for more information.

About Carnegie Museums of Pittsburgh
Founded by Andrew Carnegie in 1895, Carnegie Museums of Pittsburgh is a collection of four distinctive museums dedicated to exploration through art and science: Carnegie Museum of Art, Carnegie Museum of Natural History, Carnegie Science Center, and The Andy Warhol Museum. Annually, the museums reach more than 1.2 million people through exhibitions, educational programs, outreach activities, and special events.
