To ensure the best experience, please create and submit a schedule for your added Best Value Experience to SOR@CarnegieScienceCenter.org no less than four weeks prior to program date. If changes are necessary, we will contact the Coordinator no less than three weeks before program date to complete these changes.

Sample Schedule: Journey Through the Human Body, added Best Value Experience.

K-5 Elementary School of 480 students, two assemblies, six sessions of Adventure Stations run with 2–4 classes with a max 80 students/session.

Stations are designed for $1^{st} - 8^{th}$ grade. Students can be scheduled by grade or by class, whatever is easier for the school and stays within program requirements.

- 7:00 CSC presenters arrive to unload equipment and start setting up the assembly and adventure stations.
- 8:30 Volunteers arrive, CSC presenter trains them to work the adventure stations.
- 9:00 First session of Adventure Stations begins/first assembly presentation begins.
- 12:45 Second assembly presentation begins.
- 3:10 Stations are packed up and in SOR van.
- 3:15 Assembly is packed up and in SOR van.
