

STUDENT

PERSEVERANCE AWARD APPLICATION FORM

Many students participate in science fairs throughout their middle and high school years. The Perseverance Award at the Pittsburgh Regional Science & Engineering Fair (PRSEF) recognizes their continued dedication to the exploration of science and engineering.

The students are honored as indicated below:

Honorary Scientist: 11th and 12th grade students with 5 or more years of participation.

Associate Scientist: 11th and 12th grade students with three or four years and 10th grade students with four or five years of participation.

Junior Scientist: 8th or 9th grade students with three or four years and 10th grade students with three years of participation.

Student Name _____ Grade _____

PRSEF Project ID _____

Email Address _____

School Name _____

Please check the years in which you have participated in the Pittsburgh Regional Science & Engineering Fair.

2016 2017 2018 2019 2020* 2021 2022

*Any student whose project was in Approved or Conditionally Approved status when the 2020 fair was cancelled may include 2020 as a year of participation.

Each student who qualifies will receive a personalized Perseverance Certificate as indicated above. Certificates will be mailed to the student's school after the fair. Only those students who submit this form and qualify will be awarded a Perseverance Certificate.

Please return this completed form by email to PRSEF@CarnegieScienceCenter.org by February 28, 2022.
