

*Carnegie Science Center's  
Teaching Excellence  
Academy is here to  
support you!*

## KEY ASPECTS

All workshop options are for up to 30 participants. You select participants to attend, based upon professional learning needs.

Online Engagement topics may be delivered multiple times. Choose the combination of workshop options that meets your needs.

Includes continued support through 30-minute coaching sessions, offered a week after the workshop's delivery.

*All workshops are delivered  
LIVE on a virtual platform  
to maximize support for  
educators.*

## CUSTOMIZE A PROFESSIONAL LEARNING PACKAGE

We will curate a specific series to suit your school or district's professional learning needs. The package price is \$6,250 and consists of:

Eight hours of LIVE virtual workshops

Three total hours of virtual coaching sessions

Or, select workshops a la carte:

What is STEM? and The Next Step in STEM: \$1,250 each

One-hour Online Engagement Workshops: \$937.50 each

## Is your school or district navigating the world of virtual instruction?

### Online Engagement Workshop Solutions

- Designed for educators working within in-person, hybrid, or remote instructional settings, our **hour-long** sessions focus on student engagement tools used in an online learning environment.
- Interested in building a solid foundation for STEM education in your school or district? Our two-hour virtual **What is STEM?** and **The Next Step in STEM** workshops will provide your educators with the tools and knowledge necessary to help better prepare students for success in the 21<sup>st</sup> century.
