NEW LECTURE SERIES AT CARNEGIE SCIENCE CENTER TACKLES PENNSYLVANIA

POLITICS

POST-GAZETTE STAFF WRITER OFFERS INSIGHT INTO THIS YEAR'S ELECTION CYCLE

PITTSBURGH, April 13, 2022 – Carnegie Science Center is proud to host Society Science, a town square for community dialogue on real-world events and the implications on the Pittsburgh community and beyond. Society Science welcomes Julian Routh, Western Pennsylvania Politics and Government Bureau Chief at the Pittsburgh Post-Gazette to discuss Politics in Pennsylvania – The 2022 Election Cycle. Pennsylvania's importance in the nation's political landscape has been significant. Attendees of this event will hear about some of the most contested elections in our state's history, what this year's election cycle will bring, and learn how the national issues we have seen over the last few months will affect the elections here in Pennsylvania.

This event is free to attend, but pre-registration is required. Questions for Mr. Routh can be submitted through our website. To learn more, visit CarnegieScienceCenter.org.

About Carnegie Science Center

Carnegie Science Center is dedicated to inspiring learning and curiosity by connecting science and technology with everyday life. By making science both relevant and fun, the Science Center's goal is to increase science literacy in the region and motivate young people to seek careers in science and technology. One of the four Carnegie Museums of Pittsburgh, the Science Center is Pittsburgh's premier science exploration destination, reaching more than 700,000 people annually through its hands-on exhibits, camps, classes, and off-site education programs.

Accessibility: Features for All

Carnegie Science Center welcomes all visitors. We work to assist visitors with disabilities in obtaining reasonable and appropriate accommodations, and in supporting equal access to services, programs, and activities. We welcome visitors in wheelchairs on the deck of our USS Requin (SS 481) submarine. Below-deck visits require full mobility. Hearing assistance devices are available for The Rangos Giant Cinema. Please ask when you buy your ticket.

Please note that requests for accommodations should be made at least two weeks prior to your visit. For specific questions about wheelchairs, strollers, or other programmatic or equipment needs, see the ticket counter located on the first floor of the main building or contact Customer Service at 412.237.1641 or info@carnegiesciencecenter.org. Please contact Carnegie Museums of Pittsburgh's Accessibility Coordinator with concerns regarding accessibility for visitors with disabilities at the museums. On weekdays, call 412.622.6578 or email accessibility@carnegiemuseums.org.

About Carnegie Museums of Pittsburgh

Founded by Andrew Carnegie in 1895, [Carnegie Museums of Pittsburgh](#) is a family of four dynamic, distinctive museums: Carnegie Museum of Art, Carnegie Museum of Natural History, Carnegie Science Center, and The Andy Warhol Museum. The museums reach 1.5 million people a year through exhibitions, educational programs, outreach activities, and special events.
