THE RANGOS GIANT CINEMA PRESENTS CATVIDEOFEST 2022

Enjoy more than an hour of cats jumping, running, dancing, pouncing, and purring with a portion of your ticket purchase benefiting local shelter Cats N'At.

Aug. 8, 2022 (Pittsburgh, PA) – Carnegie Science Center will show *CatVideoFest 2022* on Sat., Aug. 20 at 5:30 pm in The Rangos Giant Cinema. 10% of ticket sales will benefit Cats N'At, a local cat lounge in Wexford, PA.

CatVideoFest, only available in select theaters, is a compilation reel of the latest and best cat videos culled from countless hours of unique submissions and sourced animations, music videos, and classic internet powerhouses. Part of the film's mission is to raise money for cats in need through partnerships with local cat charities, animal welfare organizations, and shelters to best serve cats in the area.

This year, Carnegie Science Center is partnering with Cats N'At, Wexford, Pennsylvania. Cats N'At strives to reimagine the shelter experience by creating a home-like environment where adoptable cats are free to roam around and interact with the public.

Tickets are \$10 per person or \$8 per member. Visit CarnegieScienceCenter.org to purchase tickets and for more information.

About The Rangos Giant Cinema

The Carnegie Science Center is one of the four Carnegie museums of Pittsburgh, inspiring individuals by connecting science and technology to everyday life. The Rangos Giant cinema, located inside the museum, holds the largest viewing screen in Pittsburgh, boasting a 70-by 38-foot Certified Giant Screen, crystal-clear 4K images, brilliant colors, and rich surround sound.

About *CatVideoFest*

CatVideoFest is committed to raising awareness and money for cats in need around the world. A percentage of the proceeds from each event go to local animal shelters and/or animal welfare

organizations. In 2019, over \$50,000 was raised for local shelters in addition to adoptions, fostering and awareness raised at shows.

Cats N'At

The mission of Cats N'At is to promote positive connections between cats and humans in a stress-free environment. To create a welcoming atmosphere where people may interact with cats, without expectations.
