**CARNEGIE SCIENCE CENTER EXPLORES ELECTRONIC DANCE MUSIC WITH EPIC  
ADULTS-ONLY NIGHT**

***18+ NIGHT: EDM BLOCK PARTY SHOWCASES LIVE MUSIC AND SPECIAL SCIENCE DEMOS ON  
MARCH 4***

**PITTSBURGH, Feb. 18, 2022** – Party-goers, electronic music listeners, college students, adults, couples, and friend groups looking for the best way to kick off weekend plans are invited to [Carnegie Science Center](#) on **Fri., March 4** for [18+ Night: EDM Block Party](#). The adults-only night features science demos exploring ultraviolet lights and hit performances with 1337 Pittsburgh DJ artists.

From **6–10 pm**, visitors can explore the science of studio recording and audio engineering with local Producer, Recording, and Mix Engineer Jon Miller. Science experiments uncovering the science of black light and spectroscopy demos are also on display. 1337 Pittsburgh DJ artists including Doverspike, Eryn Evans, Robbie Rockso, Varden Armstrong, ChaoticStyle, Mikey Sling, and more will be transforming the Science Center's roboworld® and The Works Theater spaces into an electronic dance music experience.

Tickets for 18+ Night: EDM Block Party are \$20 for Carnegie Museums of Pittsburgh Members and \$25 for Nonmembers if [purchased in advance online](#). Tickets at the door are limited and cost \$25 for Members and \$30 for Nonmembers.

Food and beverage are available for purchase in the RiverView Café. Proper identification must be presented for all alcohol purchases.

To prevent the spread of the COVID-19 Delta variant in areas with substantial/high transmission, Carnegie Science Center requires all visitors and staff at the event – vaccinated and unvaccinated – to wear masks while indoors.

**About Carnegie Science Center**

Carnegie Science Center is dedicated to inspiring learning and curiosity by connecting science and technology with everyday life. By making science both relevant and fun, the Science Center's goal is to increase science literacy in the region and motivate young people to seek careers in science and technology. One of the four Carnegie Museums of Pittsburgh, the Science Center is Pittsburgh's premier science exploration destination, reaching more than 700,000 people annually through its hands-on exhibits, camps, classes, and off-site education programs.

**Accessibility: Features for All**

Carnegie Science Center welcomes all visitors. We work to assist visitors with disabilities in obtaining reasonable and appropriate accommodations, and in supporting equal access to services, programs, and activities. We welcome visitors in wheelchairs on the deck of our USS Requin (SS 481) submarine. Below-deck visits require full mobility. Hearing assistance devices are available for The Rangos Giant Cinema. Please ask when you buy your ticket.

Please note that requests for accommodations should be made at least two weeks prior to your visit. For specific questions about wheelchairs, strollers, or other programmatic or equipment needs, see the ticket counter located on the first floor of the main building or contact Customer Service at 412.237.1641 or [info@carnegiesciencecenter.org](mailto:info@carnegiesciencecenter.org). Please contact Carnegie Museums of Pittsburgh's Accessibility Coordinator with concerns regarding accessibility for visitors with disabilities at the museums. On weekdays, call 412.622.6578 or email [accessibility@carnegiemuseums.org](mailto:accessibility@carnegiemuseums.org).

**About Carnegie Museums of Pittsburgh**

Founded by Andrew Carnegie in 1895, [Carnegie Museums of Pittsburgh](#) is a family of four dynamic, distinctive museums: Carnegie Museum of Art, Carnegie Museum of Natural History, Carnegie Science Center, and The Andy Warhol Museum. The museums reach 1.5 million people a year through exhibitions, educational programs, outreach activities, and special events.
