CARNEGIE SCIENCE CENTER SUMMER CAMPS OFFER EXCITING, FUN, ACTIVE, AND ENRICHING OPTIONS FOR CHILDREN

NEW THEMES, ONLINE SUMMER CAMP REGISTRATION AVAILABLE FOR 2022

PITTSBURGH, March 7, 2022 – Thrill seekers, nature lovers, space enthusiasts, music maestros, coding gurus, and curious explorers are invited to dive into hands-on, minds-on discovery at [Carnegie Science Center's Summer Camps](#). The June 13 to August 19 camp season is sure to ignite the "WOW" moments of summer, and registration is officially open to the public.

Families can choose from more than 75+ camps for kids and teens ages 4–18, with themes exploring video game design, astronomy, superhuman science, maker technology, and much more. In addition to full-day camps, half-day camps for ages 4–5 are back along with fan-favorite field trip camps including Kennywood and the National Aviary.

Scouts also have opportunities to earn science-related badges this summer with Girl Scout Mini-Camps and Scouts BSA Camp.

Makers on the autism spectrum and those who have sensory sensitivities are invited to attend a three-day workshop adventure, which includes a carefully designed curriculum, sensory-friendly tools and resources, and an atmosphere welcoming to all.

In addition to the camp offerings, Carnegie Science Center is offering pre- and post-camp childcare as well as lunch care for the half-day camps. Registration is available online or by calling 412.237.3400. Carnegie Museums of Pittsburgh Members save big with special discounts on Summer Camps.

A limited number of needs-based scholarships are available. Call 412.237.3400 or email CustomerService@CarnegieScienceCenter.org for more information.

The Science Center's Summer Camp programs are very popular and fill up quickly, so parents should register their child [online](#) today or by calling 412.237.3400.

Summer Camps are presented by Isaly's, LLC.

About Carnegie Science Center

Carnegie Science Center is dedicated to inspiring learning and curiosity by connecting science and technology with everyday life. By making science both relevant and fun, the Science Center's goal is to increase science literacy in the region and motivate young people to seek careers in science and technology. One of the four Carnegie Museums of Pittsburgh, the Science Center is Pittsburgh's premier science exploration destination, reaching more than 700,000 people annually through its hands-on exhibits, camps, classes, and off-site education programs.

Accessibility: Features for All

Carnegie Science Center welcomes all visitors. We work to assist visitors with disabilities in obtaining reasonable and appropriate accommodations, and in supporting equal access to services, programs, and activities. We welcome visitors in wheelchairs on the deck of our USS Requin (SS 481) submarine. Below-deck visits require full mobility. Hearing assistance devices are available for The Rangos Giant Cinema. Please ask when you buy your ticket.

Please note that requests for accommodations should be made at least two weeks prior to your visit. For specific questions about wheelchairs, strollers, or other programmatic or equipment needs, see the ticket counter located on the first floor of the main building or contact Customer Service at 412.237.1641 or info@carnegiesciencecenter.org. Please contact Carnegie Museums of Pittsburgh's Accessibility Coordinator with concerns regarding accessibility for visitors with disabilities at the museums. On weekdays, call 412.622.6578 or email accessibility@carnegiemuseums.org.

About Carnegie Museums of Pittsburgh

Founded by Andrew Carnegie in 1895, [Carnegie Museums of Pittsburgh](#) is a family of four dynamic, distinctive museums: Carnegie Museum of Art, Carnegie Museum of Natural History, Carnegie Science Center, and The Andy Warhol Museum. The museums reach 1.5 million people a year through exhibitions, educational programs, outreach activities, and special events.
