## **SPRING WORKSHOPS AT CARNEGIE SCIENCE CENTER**

*ACTIVITIES FOR PRESCHOOLERS, SCOUTS, FAMILIES AND MORE*

PITTSBURGH, Jan. 25, 2023 – There is no shortage of fun this spring at Carnegie Science Center! Here is what is coming up this holiday season at the Science Center.

### **Engage your little learner with a Preschool Adventure!**

[Preschool Adventures](#) – Feb. 1 and 25, Mar. 1 and 25, Apr. 5 and 22 | 10:30 am–11:30 am

These workshops are specifically designed around suitable themes for little scientists to cultivate a love for learning and to teach them basic science concepts. All workshops are specifically designed for ages 3–5. Advanced registration is required. Cost for a child and an adult helper is \$12 for Members and \$14 for Nonmembers.

### **Get creative with a hands-on Fab Lab 101 Workshop!**

[Fab Lab 101 Public Workshops](#) – Select Fridays | 5–6 pm

Learn to design and print on Fab Lab's 3D printers, solder an LED circuit, or use a 40W laser at Fab Lab Carnegie Science Center! These workshops are perfect for friends, families, or a romantic date! Advanced registration is required. Cost for a child or adult is \$25 for Members and \$30 for Nonmembers.

### **Work towards a merit badge with a Scouts BSA or Girl Scout Workshop!**

[Girl Scout Workshops](#) and Scouts [BSA Workshops](#) – Select Saturdays | 1:30–4:30 pm

Looking for scout workshops in Pittsburgh? Carnegie Science Center offers a variety of science-related merit badge workshops led by certified badge instructors. This experience promises interactive and engaging lifelong learning. Advanced registration is required. Cost is \$30 per child per session.

For more information, visit [CarnegieScienceCenter.org](http://CarnegieScienceCenter.org) or call 412.237.3400.

### About Carnegie Science Center

Carnegie Science Center is dedicated to inspiring learning and curiosity by connecting science and technology with everyday life. By making science both relevant and fun, the Science Center's goal is to increase science literacy in the region and motivate young people to seek careers in science and technology. One of the four Carnegie Museums of Pittsburgh, the Science Center is Pittsburgh's premier science exploration destination, reaching more than 700,000 people annually through its hands-on exhibits, camps, classes, and off-site education programs.

### Accessibility: Features for All

Carnegie Science Center welcomes all visitors. We work to assist visitors with disabilities in obtaining reasonable and appropriate accommodations, and in supporting equal access to services, programs, and activities. We welcome visitors in wheelchairs on the deck of our USS Requin (SS 481) submarine. Below-deck visits require full mobility. Hearing assistance devices are available for The Rangos Giant Cinema. Please ask when you buy your ticket.

Please note that requests for accommodations should be made at least two weeks prior to your visit. For specific questions about wheelchairs, strollers, or other programmatic or equipment needs, see the ticket counter located on the first floor of the main building or contact Customer Service at 412.237.1641 or [info@carnegiesciencecenter.org](mailto:info@carnegiesciencecenter.org). Please contact Carnegie Museums of Pittsburgh's Accessibility Coordinator with concerns regarding accessibility for visitors with disabilities at the museums. On weekdays, call 412.622.6578 or email [accessibility@carnegiemuseums.org](mailto:accessibility@carnegiemuseums.org).

### About Carnegie Museums of Pittsburgh

Founded by Andrew Carnegie in 1895, [Carnegie Museums of Pittsburgh](#) is a family of four dynamic, distinctive museums: Carnegie Museum of Art, Carnegie Museum of Natural History, Carnegie Science Center, and The Andy Warhol Museum. The museums reach 1.5 million people a year through exhibitions, educational programs, outreach activities, and special events.
