**PITTSBURGH, February 10, 2025** – Get ready for a summer of adventure! Registration is now open to the public for [Carnegie Science Center's Summer Camps](#), the ultimate hands-on science experience for kids ages 4-14. As Pittsburgh's most-visited museum, the Science Center offers an unbeatable lineup of camps that spark creativity, fuel curiosity, and make summer unforgettable.

With more than 75 action-packed camps running from June 9–Aug. 22, spots are filling fast. From exploring Mars and designing video games to experimenting with maker technology and taking thrilling field trips to Kennywood, there's something for every young explorer. Fan-favorite camps are back, along with exciting new themes that bring science to life in unexpected ways.

Parents can also take advantage of [pre- and post-camp childcare](#), as well as lunch care for half-day camps. Carnegie Museums Members enjoy exclusive discounts on Summer Camps.

Don't wait – these camps sell out quickly. Register online today at [CarnegieScienceCenter.org/SummerCamps](https://CarnegieScienceCenter.org/SummerCamps) or call 412.237.3400 to secure a spot. A limited number of need-based scholarships are also available. For more details, please call 412.237.3400 or email [CustomerService@CarnegieScienceCenter.org](mailto:CustomerService@CarnegieScienceCenter.org).

**About Carnegie Science Center**

Carnegie Science Center, soon to be the Daniel G. and Carole L. Kamin Science Center, is dedicated to inspiring learning and curiosity by connecting science and technology with everyday life. By making science both relevant and fun, the Science Center's goal is to increase science literacy in the region and motivate young people to seek careers

in science and technology. One of the four Carnegie Museums, the Science Center is Pittsburgh's premier science exploration destination and the region's most-visited museum, reaching more than 500,000 people annually through its hands-on exhibits, camps, classes, and off-site education programs.

**Accessibility: Features for All**

Carnegie Science Center welcomes all visitors. We work to assist visitors with disabilities in obtaining reasonable and appropriate accommodations, and in supporting equal access to services, programs, and activities. We welcome visitors in wheelchairs on the deck of our USS Requin (SS 481) submarine. Below-deck visits require full mobility. Hearing assistance devices are available for The Rangos Giant Cinema. Please ask when you buy your ticket.

Please note that requests for accommodations should be made at least two weeks prior to your visit. For specific questions about wheelchairs, strollers, or other programmatic or equipment needs, see the ticket counter located on the first floor of the main building or contact the Operations Department at 412.237.3400 or [Accessibility@CarnegieScienceCenter.org](mailto:Accessibility@CarnegieScienceCenter.org).

**About Carnegie Museums**

Founded by Andrew Carnegie in 1895, [Carnegie Museums](#) is a family of four dynamic, distinctive museums: Carnegie Museum of Art, Carnegie Museum of Natural History, Carnegie Science Center, and The Andy Warhol Museum. The museums reach 1.5 million people a year through exhibitions, educational programs, outreach activities, and special events.
