Enjoy the Ultimate Spring Break Getaway at Carnegie Science Center

Embark on a science-filled staycation at Pittsburgh's most-visited museum

[High-resolution images available here.](#)

PITTSBURGH, March 20, 2025 – No spring break plans? No problem! [Carnegie Science Center](#) – Pittsburgh's most-visited museum – offers the ultimate getaway without leaving the city. Families can journey across time and space, explore new worlds, and spark curiosity with hands-on exhibits and immersive experiences – all in one day.

From deep-sea exploration to outer space travel, Carnegie Science Center is the perfect destination for families looking for a fun and educational spring break adventure – no passport required.

Destinations to explore:

- **Set Sail on a Historic Voyage:** Step back in time aboard the USS Requin, a real Cold War-era submarine. Along with timed tours offered throughout the day, you can challenge your detective skills in an immersive [Escape Room](#) experience, ideal for friends and families with children ages 13 and up.
- **Embark on a Safari Adventure:** Journey to the African desert with the breathtaking new giant-screen film [“Desert Elephants”](#) in The Rangos Giant Cinema.
- **Shrink Down to Explore Tiny Worlds:** Be transported into the detailed landscapes of Pittsburgh’s past in the iconic Miniature Railroad & Village®.
- **Blast Off to Outer Space:** Experience the wonders of the universe in a thrilling show inside the [Buhl Planetarium](#). Venture beyond the Milky Way Galaxy and explore the farthest reaches of the cosmos.
- **Unleash Your Inner Maker:** Get hands-on with cutting-edge technology and create something new in [BNY Fab Lab](#). This exciting new digital creation space opens on the 3rd Floor of the Science Center on Sat., March 29. Don’t miss out on this innovative experience!

In addition to hands-on exhibits and immersive experiences, Carnegie Science Center offers unique programming throughout the spring for visitors of all ages. Visitors can explore the science behind mental health in [“Mental Health: Mind Matters,”](#) a thought-provoking exhibition designed to foster understanding and reduce stigma. The experience is included with general admission to the Science Center.

Families and individuals who benefit from a more relaxed environment can enjoy [Sensory Sensitive events](#), featuring dimmed lights and reduced noise for an inclusive experience. For those looking for a spring break night out, [21+ Nights](#) offer monthly themed entertainment, drinks, and five floors of exhibit access – just for adults.

Carnegie Science Center is open six days a week from 10 a.m. to 5 p.m. and closed on Tuesdays through Memorial Day. Don’t miss out on this chance to take a science-filled

staycation right here in Pittsburgh! For more details and ticket information, visit CarnegieScienceCenter.org.

Carnegie Science Center

Carnegie Science Center, soon to be the Daniel G. and Carole L. Kamin Science Center, is dedicated to inspiring learning and curiosity by connecting science and technology with everyday life. By making science both relevant and fun, the Science Center's goal is to increase science literacy in the region and motivate young people to seek careers in science and technology. One of the four Carnegie Museums of Pittsburgh, the Science Center is Pittsburgh's premier science exploration destination and the region's most-visited museum, reaching more than 500,000 people annually through its hands-on exhibits, camps, classes, and off-site education programs.

Accessibility: Features for All

Carnegie Science Center welcomes all visitors. We work to assist visitors with disabilities in obtaining reasonable and appropriate accommodations, and in supporting equal access to services, programs, and activities. We welcome visitors in wheelchairs on the deck of our USS Requin (SS 481) submarine. Below-deck visits require full mobility. Hearing assistance devices are available for The Rangos Giant Cinema. Please ask when you buy your ticket.

Please note that requests for accommodations should be made at least two weeks prior to your visit. For specific questions about wheelchairs, strollers, or other programmatic or equipment needs, see the ticket counter located on the first floor of the main building or contact Customer Service at 412.237.1641 or info@carnegiesciencecenter.org. Please contact Carnegie Museums of Pittsburgh's Accessibility Coordinator with concerns regarding accessibility for visitors with disabilities at the museums. On weekdays, call 412.622.6578 or email accessibility@carnegiemuseums.org.

About Carnegie Museums of Pittsburgh

Founded by Andrew Carnegie in 1895, Carnegie Museums of Pittsburgh is a family of four dynamic, distinctive museums: Carnegie Museum of Art, Carnegie Museum of Natural History, Carnegie Science Center, and The Andy Warhol Museum. The museums reach 1.5 million people a year through exhibitions, educational programs, outreach activities, and special events.
